

”Silesian Studies” year 2019 vol. 85

The Editorial Office of ”Silesian Studies” informs that due to remarkable interest among authors concerning the Silesian Uprisings and the plebiscite, both volumes planned for this year shall be devoted to the scope of themes under the common subtitle **The struggling for Silesia (1918-1922)**.

Issues concerning the historical policy shall be the theme of subsequent volumes.

All authors are invited to submit texts concerning scientific life in the form of review articles and reviews, as well as conference reports and ongoing projects reports until 30th September 2019.

More information concerning the semi-annual and the editorial requirements can be found on the website: <http://www.studia-slaskie.instytutslaski.com/>.
